LI allows you to filter results in multiple ways

The screenshot displays the LinkedIn Jobs search interface. At the top, there's a search bar with 'Job' entered and a location filter set to 'Tulsa, Oklahoma Area'. Below the search bar, there's a 'Find jobs' button. The main content area shows a list of job results. The first result is for 'Executive Director (Healthcare / Social Services Management)' at ResCare, posted 4 days ago. The second result is for 'Business Services Customer Lead' at Phillips 66, posted 5 hours ago. The third result is for 'Manager, US People - Wholesale Operations Division (Tulsa)' at Anheuser-Busch, posted 9 hours ago. On the left side, there's a sidebar with a 'Location' filter showing a list of Oklahoma cities and their respective job counts: Tulsa (215), Broken Arrow (37), Muskogee (25), Bartlesville (22), Ponca City (17), Sapulpa (15), Coffeyville (15), Okmulgee (13), Claremore (13), and Pryor (12).
